

FINANCIAL EDUCATION WORKSHOPS

Upcoming December Workshops

SAVING FOR RETIREMENT. IT'S EASIER THAN YOU THINK! (1:00 PM): No one is born knowing how to save or to invest. Learn more about your options to save for retirement.

YOUR CREDIT REPORT CAN IMPACT YOUR JOB SEARCH (1:00 PM): Some employers access your credit report as part of their standard application. Become more credit aware by learning from experts at American Consumer Credit Counseling and get the guidance you need to improve your score.

UNDERSTANDING YOUR TAXES | IT MATTERS! (1:00 PM): Have you felt confused about taxes, especially when it comes to employment earnings? Join us to learn how complete your W-4, how to read your paystub, major tax deductions and credits, and JVS tax site offerings.

NAVIGATING THE INSURANCE MAZE (1:00PM): we all have it and we all need it. But are you choosing the products that you really need? Learn about basic insurance products and their value to you.

TAILORING A SPENDING PLAN FOR IMPROVED FINANCIAL WELL BEING (1:00 PM): Let's face it – sometimes major life transition creates an opportunity to re-think financial habits. Join us to get inspiration to create or adjust your current spending plan.

MONEY HABITS (1:00 PM): Are your financial values, goals and spending habits working together or are you in a financial “family feud”? Lets talk about how you can create financial harmony in your life.
